

Individual Taxpayer Webinars

Join the Office of the Comptroller of Maryland monthly for live, guided demonstrations of Maryland Tax Connect, the state's online tax portal, now expanded to serve individual taxpayers. Maryland Tax Connect allows individuals and businesses to file state tax returns, make secure online payments, and check the status of refunds, all in one place.

1

A high-level demonstration of MD Tax Connect for individual taxpayers

2

A walkthrough of MD Tax Connect's basic functionality, step by step

3

Live Q&A with agency staff on hand to answer your questions
