

Your Taxes. Your Way.

Maryland Tax Connect provides a free, secure, and easy way to file returns, make payments, check refund status, and manage Maryland personal income taxes online.

Maryland Tax Connect Has Launched!

Maryland Tax Connect, trusted by Maryland businesses for tax filing and payments, is now available to individual taxpayers.

The portal replaces several legacy systems, including iFile and the previous online bill payment system, delivering a modern, streamlined experience with enhanced self-service tools and real-time account information.

Benefits of Maryland Tax Connect for Individual Taxpayers

One Place to Manage Taxes

File Maryland individual income tax returns (Form 502), make payments, check your refund status, view transaction history and tax notices, and access account information all through a single online portal available 24/7.

Real Time Access to Tax Information

View and monitor account balances, access payment and filing history, and correspondence instantly, without needing to call the Comptroller's Office.

A Modern, Secure Taxpayer Experience

Maryland Tax Connect replaces decades-old systems with a secure, modern platform designed for the way individuals manage their finances today. File with confidence knowing Maryland Tax Connect implements state-of-the-art validation, security protocols, and fraud detection models to keep your information private.
