Comptroller of Maryland Branch Office to Open in Harford County Next Week

Bel Air branch office to begin serving the public on February 17, 2026

ANNAPOLIS, Md. (February 13, 2026) — Today, the Comptroller of Maryland announced the opening of a Harford County branch office on Tuesday, February 17, 2026.

The new branch office, located at 1904 Emmorton Road in Bel Air, offers ground-floor access, ample free parking, modern amenities, and a centralized location near I-95 to reduce the time and distance customers must travel to reach the branch.

The Bel Air branch office replaces the agency's former Cecil County location, which closed on December 31, 2025. Last year, the Elkton office served nearly 5,000 customers. The agency expects the relocation from Cecil County to Harford County will increase foot traffic, as other relocations have done in Baltimore City and Baltimore County.

Taxpayers needing filing assistance or help resolving a tax issue can schedule an in-person or virtual appointment with any of the [11 Comptroller of Maryland branch offices](#). The agency plans to host a ribbon-cutting for the Bel Air location on March 16, 2026. Office relocations in Frederick County and Montgomery County are planned for later this year.
