Re: Update on Payroll Modernization Project

Dear Maryland State Agency and University Representatives,

Greetings! We hope everyone fared the weather this past week and stayed warm!

We wanted to update you on the progress we have made since our last communication.

We achieved strong results in the initial phase of development and testing. Parallel payroll testing performed very well across most agencies. As we move forward, we will focus on the more complex payroll scenarios that require additional attention. We have established weekly meetings with the entities listed below to ensure a collaborative approach as we continue work around system development and testing.

- Baltimore City Community College
- Judiciary
- Maryland Connect - University of Baltimore - Gross pay consolidation site for FBOT)
- Towson University (PACS – Personnel Authorization Consolidation Site (for former Board of Trustees Schools)
- Towson University – Gross Pay
- Maryland Department of Transportation
- Maryland General Assembly

- Morgan State University
- University System of Maryland

We appreciate the enthusiasm and engagement we have seen in these meetings and are excited to keep progress moving!

As a reminder, the Central Payroll Bureau Executive (CPB) Update monthly meetings will be held on the second Thursday of every month at 2:30 p.m. Below are the dates for the remainder of the year:

Thursday, February 12th
