INSTRUCTIONS

Additional Activities and/or Subdivisions: If you were involved in activities or operated in subdivisions other than those printed on this return, you must enter the information in the appropriate area on the blank lines. Each additional activity and/or subdivision must be entered on a separate line. See list of activities and codes below.

Column A-Gross Receipts: Enter the gross receipts for each activity and subdivision on the appropriate line. Gross receipts must not include tax. If you have included tax in your price, you must deduct the tax amount before entering your gross receipts on this return.

Column B-Rate: The rates applicable to you are set by the subdivision in which you do business. The current rate has been printed in this column for each activity and subdivision that you previously reported. If you are reporting for additional activities or subdivisions, call Taxpayer Service.

Column C-Tax: Multiply the gross receipts in Column A by rate in Column B to determine the tax due.

Current Account Balance Due (+) or Credit (-): If you have a current Statement of Account which shows a balance due which you have not yet paid, enter the amount due on this line and show it as additional amounts due by entering a plus sign (+) inside the brackets. If your Statement of Account shows a credit due from a previous overpayment (identified by "CR" next to the amount shown as Balance or Credit Due), enter this amount on this line and show it as a reduction of the amounts due with this return by entering a minus sign (-) inside the brackets.

Payment Due with This Report: Combine Total Taxes, Interest and Penalty (See www.marylandtaxes.gov for current rates), and Current Account Balance and enter the total on this line.

YOU MUST FILE THIS RETURN EVEN IF NO TAX IS DUE
