GENERAL INSTRUCTIONS

Purpose of Form

Use Form MW506AE to apply for a Certificate of Full or Partial Exemption from the withholding requirements on the proceeds of the sale of real property and associated personal property in Maryland by nonresident individuals and nonresident entities. A nonresident entity is defined to mean an entity that: (1) is not formed under the laws of Maryland and (2) is not qualified by or registered with the Department of Assessments and Taxation to do business in Maryland.

Who May File an Application

An individual, fiduciary, S corporation, limited liability company, or partnership transferor/seller may file Form MW506AE. Unless the transferors/sellers are spouses filing a joint Maryland income tax return, a separate Form MW506AE is required for each transferor/seller.

IMPORTANT: The completed Form MW506AE and all required documentation must be received by the Comptroller of Maryland no later than 21 days before the closing date of the sale or transfer to ensure timely receipt of a Certificate of Full or Partial Exemption. Applications with no closing date will not be processed.

The Comptroller's decision to issue or deny a Certificate of Full or Partial Exemption and the determination of the amount of tax to be withheld if a partial exemption is granted are final and not subject to appeal.

SPECIFIC INSTRUCTIONS

Transferor/Seller's Information

Enter the name, address and identification number (Social Security number or federal employer identification number) of the transferor/seller applying for the exemption. If the transferor/seller was issued an individual taxpayer identification number (ITIN) by the IRS, enter the ITIN.

Check the box indicating the transferor/seller's entity type.

Enter the transferor/seller's ownership percentage of the property. For example, if there are four equal owners, enter 25% for single application.

Property Information

Enter the description of the property, including the street address(es) for the property as listed with the State Department of Assessments and Taxation (SDAT), including county. If the property does not have a street address, provide the full property account ID numbers used by SDAT to identify the property. **Enter the date of closing for the sale or transfer of the property.**

Application will not be processed if left blank.

Enter the property account ID number, if known. If the property is made up of more than one parcel and has more than one property tax account number, include all applicable property account ID numbers.

Check the box to indicate whether the property was used for rental/commercial purposes. Maryland law requires that nonresidents owning real property in Maryland file a nonresident income tax return reporting any rental income or loss. If you checked the rental/commercial box and did not file returns reporting this income or loss, your application will be denied. File all appropriate returns before filing this application.

You may add both settlement costs for purchase and sale of the property if you have a settlement statement for each. If a preliminary settlement statement is not available at time of filing, you must forward as soon as completed in order to be credited for these costs. You may request this from the settlement agent.

Line 4. Add lines 1 through 3.

Line 5. Depreciation. Enter all depreciation already taken for this property, if rental or commercial, on any income tax return. You must attach a depreciation schedule or returns.
